Devon Strut Fly-In, Saturday 24th September 2022

PPR: 01297-680259

- All inbound traffic to first contact Exeter Radar 128.980. Then call on SafetyCom when field in sight. Departing traffic to call Exeter Radar when leaving the circuit.
- No overhead joins.
- Visiting a/c to follow circuit patterns to the south of A/F (28LH, 10RH as shown above) at 800ft agl. Arrivals from the east & west to follow the coast and join downwind for the active runway.
- Noise sensitive areas marked on map **must** be avoided.
- **Final approach to RW10 and climb-outs from RW 28 to be dog-legged to avoid overflying properties under the extended centreline of runway.**
- Caution - downdrafts may be encountered on the approach to RW28.
- Public footpath crosses runway at mid point.
- Follow any marshalls' instructions.
- A/C parking will be to northern side of the runway.
- No fuel available. Nearest at Dunkeswell.
- Landing fee £10.00 for non-Strut members. Pizza included.
